sex is cheap coupled sexual activity has become more widely available than ever cheap sex has been made possible by two technologies that have little to do with each other the pill and high quality pornography and its distribution made more efficient by a third technological innovation online dating together they drive down the cost of real sex and in turn slow the development of love make fidelity more challenging sexual malleability more common and have even taken a toll on men's marriageability cheap sex takes readers on an extended tour inside the American mating market and highlights key patterns that characterize young adults' experience today including the timing of first sex in relationships overlapping partners frustrating returns on their relational investments and a failure to link future goals like marriage with how they navigate their current relationships drawing upon several large nationally representative surveys in person interviews with 100 men and women and the assertions of scholars ranging from evolutionary psychologists to gender theorists what emerges is a story about social change technological breakthroughs and unintended consequences men and women have not fundamentally changed but their unions have no longer playing a supporting role in relationships sex has emerged as a central priority in relationship development and continuation but unravel the layers and it is obvious that the emergence of industrial sex is far more a reflection of men's interests than women's

a work of riveting literary journalism that explores the roots and repercussions of the infamous killing of Eric Garner by the New York City police from the bestselling author of *The Divide* named one of the ten best books of the year by the Washington Post on July 17, 2014 a forty-three-year-old Black man named Eric Garner died on a Staten Island sidewalk after a police officer put him in what has been described as an illegal chokehold during an arrest for selling bootleg cigarettes the final moments of Garner's life were captured on video and seen by millions his agonized last words "I can't breathe" became a rallying cry for the nascent Black Lives Matter protest

movement a grand jury ultimately declined to indict the officer who wrestled Garner to the pavement Matt Taibbi's deeply reported retelling of these events liberates Eric Garner from the abstractions of newspaper accounts and lets us see the man in full with all his flaws and contradictions intact a husband and father with a complicated personal history Garner was neither villain nor victim but a fiercely proud individual determined to do the best he could for his family bedeviled by bad luck and ultimately subdued by forces beyond his control in America no miscarriage of justice exists in isolation of course and in *I Can't Breathe* Taibbi also examines the conditions that made this tragedy possible featuring vivid vignettes of life on the street and inside our Kafkaesque court system Taibbi's kaleidoscopic account illuminates issues around policing mass incarceration the underground economy and racial disparity in law enforcement no one emerges unsullied from the conservative district attorney who half heartedly prosecutes the case to the progressive mayor caught between the demands of outraged activists and the foot dragging of recalcitrant police officials a masterly narrative of urban America and a scathing indictment of the perverse incentives built into our penal system *I Can't Breathe* drills down into the particulars of one case to confront us with the human cost of our broken approach to dispensing criminal justice brilliant Taibbi is unsparing in his excoriation of the system police and courts this is a necessary and riveting work booklist starred review

God's story will end better than it began experienced Bible teacher Nancy Guthrie traces 9 themes throughout the Bible revealing how God's plan for the new creation will be far more glorious than the original but this new creation glory isn't just reserved for the future the hope of God's plan for his people transforms everything about our lives today

created with the input of parents and professionals this step by step guide shows exactly how to create effective social stories™ for children with an autism spectrum disorder this book shows how to go from using ready made stories to writing tailored stories that will improve social understanding following Carol Gray's popular guidelines

fifteen year old erin angelica delessandri is a typical high school cheerleader except for one thing in addition to the normal pressures of being a teenager she is a child living in an alcoholic family at home she s the target of her father s alcoholic rage and is always on edge never knowing when the yelling will start her father s harsh treatment also leads erin to harbor the vague notion that she s irresponsible and worthless at school erin gets caught up in the party scene with a crew called the pack she becomes romantically involved with an older pack member named dwane after dwane is accused of a gang related murder erin s brother joey who is also a member of the pack forbids erin from seeing dwane but the evidence suggests that it s joey not dwane who pulled the trigger while the drama unfolds at school erin s family disintegrates before her eyes her mom upset at the prospect of a failed marriage becomes depressed and withdrawn and erin s little sisters share a secret a killer secret that must be exposed and dealt with before someone dies
